Interlude

In the interval between the green leaves and the golden, there is a period of crystal clarity in the atmosphere that we on the Eastern Seaboard know as Indian Summer. The sun shines warm without burning through the day and all through the night there is that crisp cool with hardly a shiver. It is the very best time for everything. It is a marvelous time to take pictures. Photos taken in the morning mist, as were these taken at Marion harbor, are particularly pleasing. With

color film, there is just enough diffusion in the droplets to soften the color while leaving the image clear and sharp. The many people now walking and jogging in the early morning are aware of the breathtaking panorama of color as the sun rises and glows through the morning mists. The Bay we live on is such a source of spectacle that no sight in the morning is like any before it and no moment remains the same. The infinite variety of our world is awesome.

Boat and Motor Purchased

MATTAPOISETT SELECTMEN'S MEETING
OCTOBER 2, 1990-by VIRGINIA MORGAN

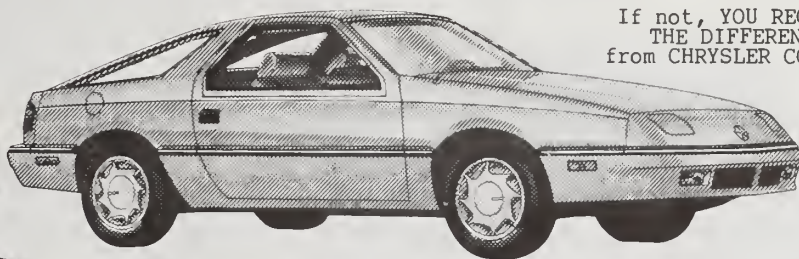

The Mattapoisett Boatyard, Ned's Point Road was awarded the contract to furnish the town with a boat and motor to be used by the Harbormaster/Wharf Commissioner Steven Mach. The \$20,000 voted at the May annual town meeting to pay for the boat and motor will just cover the cost - 22 foot Henry O. Walk-Around Cuddy Cabin for \$13,900, and a 200 horsepower 1990 Johnson outboard motor for \$6,100, totalling \$20,000.

The other bidders were Costa's Marine, Inc., 200 horsepower Evinrude for \$7,600 (they did not bid on the boat), and Burr Brothers Boats Inc., a 22 foot, eight inch Answer Marine for \$19,999 for boat and motor. The harbormaster said Burr's bid was for a 140 horsepower motor, not called for in the specifications.

Selectmen agreed with the Harbor Advisory Committee in its recommendation to award the bid to the Mattapoisett Boatyard. Mr. Mach noted Arthur McLean, a member of the Advisory Committee, abstained from voting on the bid as he is the owner of Mattapoisett Boatyard.

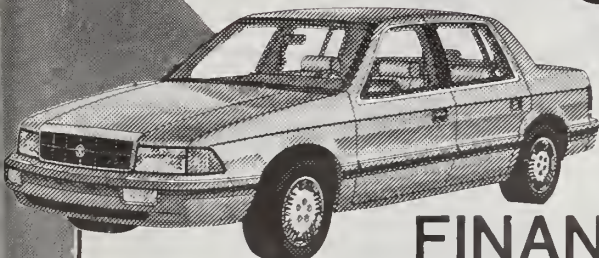

Although selectmen agreed with the advisory committee, it was with the admonishment, "It's important to maintain the boat and motor." In reply to selectmen's question where will the boat be stored, Mr. Mach said the boatyard will store it through the winter and deliver it to the town on April 1.

At that time the warranties will start, he added.

The harbormaster said that in the future they anticipate having Brownell Boatworks place the boat on the dry gravel area on the wharf and covered. He added that later they hope to purchase a trailer so "we can haul it ourselves".

Selectman Bernard F. Talty commented that a number of boat owners have approached him urging the board not to purchase a boat and motor. "These people felt the boat is not necessary at this time and that the motor (200 horsepower) is too big. These people also feel the old boat, a 17 foot boat, was not properly maintained." Also, they didn't feel they were properly represented at the town meeting when the article was passed approving \$20,000 for the boat and motor, he added.

Selectman Daniel O. Mahoney said, "The die is cast - the town meeting voters have spoken. Take care of it, Steve. You will be watched - you're in a fish bowl at the wharves."

On another matter, selectmen noted they have heard favorable comments on their appointment of Robert Ketchel as deputy assistant harbormaster/wharf commissioner. Mr. Mach said Mr. Ketchel was an excellent choice.

In other business, Selectmen:

ACCEPTED the telephone bid received by Executive Secretary Carol Adams of Builders' Square to supply five treated, wood exterior doors for the bathhouse at a cost of \$730.78.

Selectman Talty noted on the previous Friday night vandals broke windows on the west side of the bathhouse. Town meeting voted \$3,000 to repair the bathhouse windows and doors and several other minor repairs during the winter months.

HEARD A REPORT from Selectman Mahoney on the on-going situation with SEMASS' demand the town pay an additional amount in higher fees to cover what SEMASS claims is made necessary because of additional state DEP regulations.

Mr. Mahoney said "we need to make the public aware of the decision we have to make. It's up to the board to decide what to do. Hopefully, the five towns involved in the demand for added fees are trying to jointly work things out through legal counsel Thomas Crotty rather than taking it to court."

Taxation (CLT) Question 3 on the November 6 ballot is passed Mattapoisett will see an additional cut of \$64,259, said Selectmen Chairman John DeCosta. The chairman said all cuts will become effective January 1, 1991 and will affect the last half of the town's budget. Also, the chairman said, "We will be affected for a portion of the two school districts' cuts. Old Rochester Regional School District can expect a \$220,173 cut and Old Colony Vocational-Technical High School District, \$416,809. These cuts are in addition to the four percent we've already had cut." Selectman Talty added that "We can assume the towns will be hit hard. If you want to maintain services, you will have to have overrides."

ANNOUNCED the Selectmen and Executive Secretary Carol Adams will join the Selectmen of Rochester for a perambulation of the bounds on October 27th, beginning at Rochester Town Hall.

This perambulation of bounds is mandated by the state and has to be done every five years. Chairman DeCosta has done this several times and warned Selectmen Talty and Mahoney to wear boots and warm, old clothes. Mr. DeCosta explained "we paint the year on the stone bounds between Marion,

Newspaper Truck in Mattapoisett

On October 13 and 14 from 9 to 3 a truck will be at Mattapoisett's A&P Parking Lot to accept tied bundles of papers (and their inserts). Let's all work to make this paper collection a huge success. After October 13 and 14 bundles of papers may also be dropped off at Marion's transfer station.

CLEAN, INC. of Rochester is sponsoring this recycling project.

Recycling/Composting Committee

The Mattapoisett Recycling Composting Committee met Monday at 7:40 at the Town Hall.

Our guest speaker was Olive Harris of the Marion Recycling Committee who has worked for over 2 years to establish a now-existing curbside recycling program of plastics, newspapers and glass.

Much energy and time was spent by Olive and her committee in finding collectors for these recyclable items before the pro-

gram could really begin. She stressed the fact that a large part of the program's success is due to the fact that both the Marion selectmen and the DPW are 100% for the program and that an old DPW truck

inSIGHT INTO FAMILY EYE CARE

Following cataract surgery will I have to get a new pair of glasses?

Yes, you will need a new pair of glasses following cataract surgery. A major concern with most people, however, is will I have to be without my glasses while the new lens is being made. The answer to this concern is no. When you come into the office we can take the necessary measurements needed and get the lens blank surfaced to the new prescription. Then, in about 20 minutes we can grind the lens down to fit your existing frame. You will be able to walk out of the office with your new correction.

mother to daughter for hundreds of years. Oriental rugs are still woven the way they were hundreds of years ago. A master weaver determines the pattern and the colors. He gives instructions to the dyers on how to get the right colors. The dyes used are made from leaves, roots, barks and certain insects. The master weaver is present to direct and instruct the weavers on the pattern.

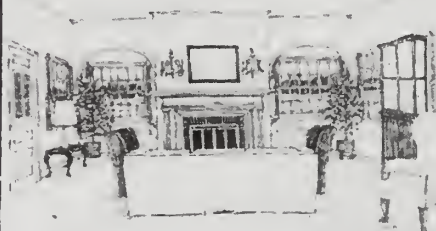

Depending on the size, an oriental rug can take from 1 to 1½ years to complete. An 8 x 10 rug will have over three million knots, all tied by the family or individual making the rug. The value of a rug depends on the size and closeness of the weave. Tightly woven rugs are more valuable because they wear better. Antique rugs are prized for their beauty and rarity.

Stu Hudson was born and grew up in England. He has extensive experience with oriental rugs, especially antiques. There will be rugs on exhibit at the lecture. The lecture is free and open to the public.

Parent Advisory Council

The first meeting of the Parent Advisory Council will be held Thursday, October 18th, from 7:30 to 8:15 in the library of Old Hammondtown School. It is because of parent involvement and commitment that our Chapter I Program is truly outstanding.

Daune Smith, the Chapter I Director, will introduce the staff and PAC members and present an overview of the program.

A brief presentation of Where There's A Will There's An A, a program developed by Claude W. Olney, J.D., will be discussed. It will deal only with reading. Tips on helping your child become a reader will be stressed.

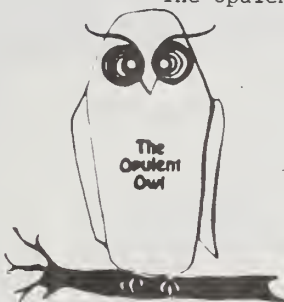

The annual Open House was held on September 25th. The largest crowd in recent memory was in attendance. We all enjoyed having the children introduce their parents to us.

BUILDING TRUST THROUGH COMMITMENT

Earning the public's trust in serving its heating needs doesn't come easily. It requires a commitment to service through a team effort, beginning with a dedicated customer service staff ready to respond to your questions and needs. It demands well trained maintenance and installation technicians with the know-how to keep your equipment running safely and efficiently. Finally trust is earned through a delivery crew providing on time deliveries. How does Question 5 affect your community?

On November 6th you will be asked to cast your vote on Question 5 on the ballot.

If you vote "Yes" on Question 5 it will require the State to return 40% of all revenues to local governments. This will bring back many of the cuts made by legislature in local aid. Local aid provides your police, fire, public health and education to your community.

Just for example: of the lottery receipts received by the state, only 29 to 30% are returned to the communities. That 10% additional revenue would go a long ways towards ending the fiscal chaos that state officials have placed on us by their seemingly endless spending programs.

Your local government does an excellent job providing the the basic services such as: police, fire, health, schools and roads. Small scale governments are far more efficient in handling funds than our legislature. Local government is open to public scrutiny, discussion and accountability.

It is a style of democracy dating back to the first town meetings and by far still the best form of accountability.

I urge you, the voter, to vote "Yes" to Question 5 on November 6th. Your vote in the affirmative will do much towards returning fiscal stability to your city or town.

Early Childhood Advisory

PLANS ELECTION OF OFFICERS

At the September 19th meeting of the Early Childhood Advisory Council the group voted to rename the organization as the Tri-Town Early Childhood Advisory Council since the Mattapoisett School Committee had voted to join Marion and Rochester in Project GROW, the local early childhood project. By joining the other towns, Mattapoisett pre-schoolers are now eligible for the Project GROW pre-school program housed at the Sippican School in Marion.

The council is planning a meeting for Tuesday, October 16th, beginning at 3:30 p.m. in Room 30 at the Sippican School, Marion. At this meeting officers for the 1990-91 school year will be elected. Also, a new member orientation is planned immediately following the meeting.

Interested community members are invited to attend.

Children's Screening Clinic

A screening clinic for three and four year old children residing in Marion, Mattapoisett and Rochester will be held on Friday, October 19th, at the Sippican School

eye
talk

Q. I just got a job in a chemical plant but I've been told I can't wear my contacts because the fumes may damage them. Is that true?

A. No. Contact lenses can be worn safely in eye hazardous jobs, if the proper eye safety equipment is worn over them. Nor can chemical fumes damage the tough plastic out of which contact lenses are made.

Occasionally, eyes will water excessively during exposure to chemical fumes. That could interfere with your ability to see whether or not you wear contacts. Your optometrist can evaluate whether or not that would be a problem for you.

People who work around welding arcs and electrical sparks also can wear contacts under their eye safety equipment. Reports of welding arcs or electrical sparks fusing a contact lens on the eye are false.

If you habitually wear contact lenses, you will see better on the job with them than with eyeglasses. Every effort should be made, therefore, to enable you to wear them safely while you work.

"I feel as though I'm just holding on." What a common expression today. It seems to go along with the bumper sticker, "NOT MAKING IT IN MASSACHUSETTS".

We often put ourselves on the edge by not using what we have in a productive daily life. Discovering our inner and outer treasures may be the first step, and the second is investing in them.

Whether we are speaking of the material in our lives, or the spiritual resources at hand, we need to use them for ourselves and others. We must do more than survive.

Wareham Area Hospice

The annual meeting of Wareham Area Hospice will be held Monday, October 22nd, according to President Leo R. Sullivan, MD, of Wareham. The 7 p.m. meeting will be at the Congregational Church hall on Front Street in Marion.

The association's approximately 400 local members are invited to meet with the staff, volunteers and directors for dessert and coffee. The annual reports for fiscal 1990 and plans for the coming year will be presented briefly, and a 15-minute film on the work of Hospice will be shown. There is no charge, and reservations are not required.

Hospice furnishes at-home care to terminally ill patients and their families, without

Grants to Mattapoisett Schools

The Mattapoisett Public Schools have received notification from the Massachusetts Department of Education that they have been awarded funding for three grant proposals for the 1990-91 school year.

The first grant is an award from the Governor's Alliance Against Drugs in the amount of \$3,637.00. The purpose of these funds is for the implementation or expansion of alcohol and drug prevention education programs in schools. Funds from this grant will be used to train six K-3 teachers from Center School in Lion's-Quest "Skills for Growing" program so they can acquire the skills necessary to implement this program in their classrooms; and funds will also be used to purchase films that deal with the development of positive personal relationships to accompany the "Project Charlie" program in grades 4-6 at Old Hammondtown School. This grant award marks the fourth straight year that the Mattapoisett Public Schools have received funding from the Governor's Alliance Against Drugs.

The second grant is a Chapter II Block Grant award in the amount of \$1,620.00. The purpose of Chapter II Grant funds is: to implement promising educational programs; enhance the quality of teaching and learning through initiating and expanding effective school programs; provide a continuing source of innovation, educational improvement and support for library and instructional materials; and/or meet the special educational needs of at-risk students. Funds from this grant award will be used with students in grades 4-6 at Old Hammondtown School

Author-In-Residence program during the week of April 29-May 3, 1991. Dr. Gregory Maguire, a children's author, will provide model demonstration lessons and an in-service for K-3 staff to enhance our efforts at successfully implementing a process approach to writing at our school. Selected students will also have the opportunity to work directly with Dr. Maguire to further develop their own skills as "authors".

Our third grant is a Commonwealth In-service Grant award to Center School in the amount of \$1,619.00. The purpose of these grant funds is participant generated staff development programs aimed at training participants in improving instructional or educational services to students. Funds from this grant will be used to hire a consultant to conduct three inservice training sessions (two half days and one full day) and ten hours of model in-class demonstration lessons on the process approach to writing for all K-3 staff members. The goal of this training will be to provide teachers with the attitudes, skills and strategies necessary to implement a successful process approach to writing in their classrooms. Third grade teacher Mrs. Patricia Muldoon and second grade teacher Ms. Lynn Haugen co-authored this grant proposal.

OLD HAMMONDTOWN SCHOOL BAND

The Old Hammondtown School Band is off to a fast start under the direction of Mr. Stanley Ellis. Band rehearsals have already taken place. The forty-six returning student instrumentalists have received their weekly schedules and lessons are under way. Several of the incoming fourth graders have been taking private lessons and are already practicing with the school concert band. Forty other fourth graders and a few fifth and sixth grade students are busily and enthusiastically discussing their choice of instruments with their parents and Mr. Ellis. Approximately ninety of the two hundred students at the Old Hammondtown school will be taking instrumental lessons this year.

STUDY CONSTITUTION

Nancy Jordan's sixth grade Social Studies class has been studying the Constitution of the United States. Students began with a look at the Preamble, discussing the meaning of each phrase. They talked briefly about the three branches of government -- their power and responsibilities.

The main focus in the weeks to come will be an understanding of the meaning of freedom. Students will talk about kinds of freedom, limits to freedom and the re-

Moran and Fire Chief Donald Wood to see if they would be part of the "Hug a Bear" program.

Chief Moran said, the Pioneers make small Teddy Bears which are given to children who have been upset by traumatic situations, such as auto accidents, domestic violence or any other situation that would upset a small child. Chief Moran said it would help take their minds off such a tense situation and give them something else to think about.

"I think the idea is great. The Teddy Bears will be placed in the ambulance and when we run out, the Pioneers will replenish them. All my officers think the idea is good, and I commend the Telephone Pioneers for their time", said Chief Moran.

"MAIN STREET" TO STAGE BENEFIT

The popular, local singing duo, MAIN STREET, is staging a benefit at the Gateway Playhouse Mini-Theatre to help fund the newly reorganized Gateway Players, Inc. Performances will be held on October 12th, 13th, 19th and 20th at 8 p.m. at the playhouse located behind the Wareham Town Hall.

MAIN STREET, comprised of singers Sheila Furtado and Toni Weeden, has performed in Wareham, Fairhaven and Middleboro to sell-out audiences. Their repertoire consists of old favorites and popular songs including folk, pop, blues and a medley of songs made popular by the late, great Kate Smith. Some of these songs Ms. Furtado and Ms.

"YOUNG MASTERS" JUNIOR INVITATIONAL TOURNAMENT AT RESERVATION CLUB

Featuring a demonstration by Titleist spokes-
man and world record holder in the longest
drive, "Big Cat" Williams, the top high school
golfers throughout New England, including 6
state champions, will gather October 13-14
to vie for the Green Jacket at the 4th annual
"Young Masters" Junior Invitational Golf
Tournament at the Reservation Golf Club in
Mattapoisett.

The tournament has quickly developed into
one of the best run junior tournaments in any
part of the country. Tournament Director
Steve Bouley has combined the best players,
topnotch sponsors, a fine course and dedi-
cated committee to produce a quality event
for the young golfers. Just as the tourna-
ment provides for the golfers, the players
provide an exciting tournament for golf
fans each year.

The 4th annual tournament continues
with the 36 hole, two-day format and in-
cludes many extras for the enjoyment of
players and fans. Approximately 30 dif-
ferent high schools will be represented.
Among those will be Old Rochester Region-
al High School represented by Andrew
MacGregor of Rochester.

Some of the activities included are:

How to Make a Saltwater Aquaria

On Saturday, October 13th, the Lloyd Center for Environmental Studies is offering a day-long (9:00 a.m. to 3:00 p.m.) program on how to set up saltwater aquaria. The program, led by Steve Theberge, a Lloyd Center instructor, will entail various methods of setting up and maintaining saltwater aquaria, the proper collection of plants and animals suitable for certain aquaria, and the actual collection of specimens from the mouth of the Slocum River located just off the Lloyd Center grounds.

In addition to learning the finer points of saltwater aquarium workings, participants will learn how to use saltwater aquaria as a home teaching tool as well as an aesthetically pleasing home decoration and exhibit.

All are welcome and encouraged to learn about and enjoy this surprisingly easy and interesting hobby. Fees for the program are \$15. for Lloyd Center members, \$20. for non-members and \$5. for children under 12. For more information and registration contact the Lloyd Center, 990-0505.

REOPENING - BACK October 16th

beginning at 7:30-10:30 p.m. October 15th
at Your Theatre, Inc. in New Bedford. The
series continues October 22nd and 29th.

Mr. Greene, who teaches in the music
department of Southeastern Massachusetts
University, will present the program under
the auspices of SMU's Division of Continuing
Studies and Your Theatre, Inc., the community
theater at 71 Maxfield street. Admission to
the three-performance program is \$28; in-

further information telephone 999-8778.

The performance/lecture series, titled
"On Stage with Bobby Greene and Friends",
will use a combination of live music, lecture,
tapes, and commentary to illustrate the
various styles and periods of jazz, America's
only indigenous art form. Participants will
be able to join the performers at the end
of each session for informal discussion.

Bobby Greene is saxophonist and leader
of a contemporary jazz band, Coleus, and a
traditional jazz group, the New Bedford
Music Ensemble.

Each member filled out a needs assessment to specify particular interest for future meetings. As the year progresses it is the hope of the group to be able to divide into small groups for intensive discussion of specific software packages.

Interested members of the community are invited to attend the next meeting at Old Colony on October 25th at 3:00 p.m.

The guest speaker will be John Carreiro, a former employee of IBM, who will discuss Prodigy (an on-line computer service) and how to use a computer for investments and stock market purchases.

ORRJHS TEACHER ATTENDS
MAYFLOWER II RECENT VOYAGE

Recently the Mayflower II made its first voyage in nearly thirty years. The short, yet significant excursion into Massachusetts Bay was marked by significant fanfare. Local dignitaries were on board. Off-season tourists lined the wharves and shoreline, and area residents turned out in numbers to view the unique sight of the famous replica as it left its mooring at Plymouth Wharf -- and Old Rochester Regional Junior High School was there, represented in the person of Mr. Steven Kocur, Grade Seven social studies teacher.

Mr. Kocur was invited to be present at the event by virtue of his long-time association with Plimoth Plantation. For eight years he was the supervisor of the Mayflower II. Concurrently, he took on the eighteenth century role of the ship's pilot, Robert Coppin, for the thousands of tourists who boarded the ship each year. Additionally, Mr. Kocur was in charge of the evaluation of the education department at the Plantation. Since coming to the Junior High, he has continued to "work the planks" of the world-renowned vessel during weekends of the summer months, assuming the very con-

vincing interpretive role of Seaman Edward Mathews, a common crewman on the original ship. So, when the day for the sailing came, the Mayflower II could not reasonably have left without him.

The purpose of the voyage was to demonstrate that the ship is not just a 'static exhibit', but rather a full-scale working model of the original ship. The replica, a visual reminder of America's national character, has had a rich history of its own. Since its maiden voyage across the Atlantic in 1957 it has served as a popular tourist attraction and has inspired the building of numerous other replicas like the Golden Hind and the Dove.

Mr. Kocur took advantage of the opportunity to take numerous photographs and slides. As the Mayflower II was being towed out past the Gurnet, he was actually on board. He later moved to the Tugboat Jaguar out of Fairhaven to secure another vantage point from which he could capture the replica on film under full sail. He looks forward to sharing his special experience with his classes and with anyone else from the communities who may be interested. In addition to his teaching duties at the Junior High, Mr. Kocur serves as advisor to the school's Student Affairs Committee and as the faculty representative to SCORR.

Rochester Republican Committee

The Rochester Republican Town Committee at their duly called meeting held in the Rochester Town Hall Conference Room voted unanimously to financially support Mr. Jon Bryan for U.S. Congress, Jim Rappaport for U.S. Senator, Erv Wall for State Senator of the Bristol/Plymouth District, William Weld for Governor and Paul Cellucci for Lt. Governor.

Mrs. Anne Wolf, the Town Committee Chairperson, reported that there are over 700 unregistered residents and urged the membership to contact as many as possible and urge them to register to vote.

The committee went on record as being opposed to the "gag rule" that was agreed to by the National Republican and Democratic Committees that results in no National Committee funds for candidates Bryan and Rappaport because they criticized the pay increases for Congressional office-holders.

DECISIONS ANNOUNCED

Dennis J. Mahoney and Sons, Inc. of One Industrial Drive, by Blue Water Yachts, Inc., 62 Marion Road, was granted approval for a Special Permit to operate a boatyard at 4 Fairhaven Road in the General Business and Marine Residence Districts. (This location is at the Mahoney Home Fuel/Gas Center office.

A Special Permit was granted to Mahoney's tenant W.E. Fairweather, c/b/a BF Boats, to operate a boatyard at this site. The permit was in effect only as long as the tenants remained the same. Any future owners or occupants would have to apply for a Special Permit.

This new Special Permit is granted to the new tenant, Jarvis C. Stratton and John J. Stratton, who own and operate Blue Water Yachts, Inc. The business will include the repair and storage of boats, including owner maintenance of boats, and the occasional buy-

ing and selling of boats stored on the premises but not the retailing of new boats.

There was no one in attendance at the meeting expressing opposition to the application.

The conditions include no retailing of new boats or marine supplies and no fueling station; the operation of the boatyard shall comply with all applicable local, state and federal environmental laws and regulations. This special permit will continue only as long as the tenants remain the same.

Benjamin C. Studley of Framingham, relating to property at 6 Pine Island Road, was denied a variance from the applicable setback requirement from the way abutting the northwesterly bound of the petitioner's property for construction of a two-car garage.

Although the original petition was withdrawn and this new one has a slightly modified plan, the Appeals Board felt the 46 foot variance sought was too great a variance.

The application of Connett Point Realty Trust, relating to property at 59 County Road, was granted for a special permit to expand the indoor seating and add outdoor seating for use by patrons of their restaurant business. The lot is a lawfully non-conforming one-story building consisting of approximately 1,000 square feet centrally located within the lot.

NEW HOURS: OPEN Tuesday, Wednesday &

Tuesday Night 7 to 9

Specifically, the applicants propose to expand the inside seating capacity of the restaurant to 13 by adding four tables which seat two persons each, and counter seating for five persons. Additionally, the applicants propose to add six outdoor picnic tables for seasonal use by restaurant patrons. No one appeared in opposition to the application.

The applicants' current business is primarily take-out with one table inside the restaurant for customer use. We find the applicants' proposal for additional indoor and outdoor seating constitutes an alteration of a non-conforming structure to provide for its use for the same purpose in a substantially different manner or to a substantially greater extent. Further, the Appeals Board found that the proposal will not be substantially more detrimental than the existing non-conforming structure to the neighborhood.

Conditions include that regular operating hours will not exceed 7 a.m. to 10 p.m. and that 11 requirements for parking and trash disposal are met.

Harvest Fair, Fairhaven

A Harvest Fair will be held at the Fairhaven Unitarian Church, Center and Green Streets, on Saturday, October 20th, from 9:30 a.m. to 3:30 p.m. Antiques, crafts, jewelry, linens, a country kitchen with homemade foods, children's activities, plants, books, greeting cards and white elephants will be featured. A luncheon will include lobster rolls, hot dogs, linguica, homemade quahog chowder and homemade pies.

Y.M.C.A.

It's that time of year when we begin to think about winter and many people consider doing more with the family or beginning a healthy lifestyle and the Greater New Bedford YMCA can meet many of those objectives", according to Greg Gouveia, Physical Director.

Registration for the Fall 2 session begins on Monday, October 22nd, for YMCA members, and Monday, October 29th, for the general public.

Classes for the Fall 2 session begin on Monday, November 5th, and run for seven weeks concluding the week of December 22nd. The line-up of programs for the new

HEALTH ENHANCEMENT PROGRAMS

The Greater New Bedford YMCA announces an expanded selection of Health Enhancement programs for the upcoming year. YMCA Physical Director Greg Gouveia indicated that two new fitness classes have been added to the Y's regular schedule.

A "Fat Burner" Aerobics class has been added on Mondays, Wednesdays and Fridays from 9 a.m. to 10 a.m. This is a low to moderate impact aerobic program with a muscle conditioning component.

Due to the great popularity of the YMCA's existing water aerobics class, a second morning class has been added on Mondays, Wednesdays and Fridays from 8 to 8:45 a.m. Non-swimmers and swimmers are both welcome. Muscle rehabilitation, increased

NEW PROGRAM-ART CLASSES

Two new programs will be added to the YWCA's on-going series of art classes.

The first, 3-D Art, begins Tuesday, October 16th, and the second, Sculpture, is set for Thursday, October 18th.

Both are designed for children with 3-D Art, presented for youngsters between ages 5 and 12, and Sculpture planned for ages 8 and up. Each series will run for six weeks.

3-D Art will use a variety of mediums in creating decorative and functional boxes. Children will explore shapes and forms as they transform them - according to their own imaginations - into usable art.

The three dimensional form of sculpture, using clay and other mediums, will allow

youngsters to expand their ability to see art in forms and use these in expressing their own creativity.

These programs allow youngsters to learn of the world of art as adults continue their work in the Watercolor Workshop. This group meets weekly, on Mondays, between 1 and 3 p.m.

Local artists are also offered the opportunity to display their work in month-long exhibits in the YWCA Lobby Art Gallery while crafters are invited to submit their projects for the Crafters Showcase. Items in both of these exhibits are offered for sale to the public.

For more information on these programs please contact the YWCA at 999-3255.

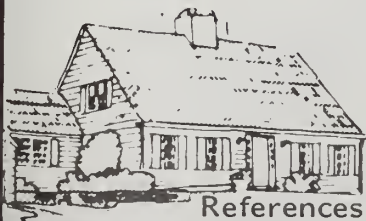

Fall Classes at Ashumet

Massachusetts Audubon's Ashumet Holly and Wildlife Sanctuary in East Falmouth will offer a class on Pine Cone Wreaths in their horticulture arts program. The courses are sponsored by the Friends of Ashumet and all proceeds are used to maintain the Sanctuary.

A class on Pine Cone Wreaths will be held on Wednesday, October 17th, from 10 a.m. to noon, Charlotte Neves, instructor. We have tons of pine cones; let's put them to use. We will supply wreath frames and wire. You may bring your own cones, wire cutters,
